OUR COMPANY

Big Colour Imaging Limited is a project driven, large format printing and signage business located in Mount Eden, Auckland.

In operation for over 25 years, Big Colour strives to be at the forefront of new products and technology to assist their clients in achieving their desired results.

In the 2009 Pride in Print Awards, Big Colour was awarded the highest number of gold medals of all entrants in the Digital Printing category.

The Aoraki/Mt Cook Visitor Centre Ceiling Diamonds entry was voted 'Best in Category' for Digital Printing as well as being nominated for the nights Supreme Award.

These awards followed the companies first entry into the awards where a gold was awarded for the pictured project.
